Live tracks recorded at
Mrs. O'Leary's Irish Pub, Gaithersburg MD

No clowns, tinkers, or husbands
were harmed in the making of this album.

Thanks to all at the following pubs: Royal Mile,
Ireland's 4 Provinces, Flanagans, Mrs. O'Learys, Cat's Eye,
Mick O'Shea's, Nanny O'Brien's, and anywhere else we
may have played and had such a good time we forgot.

Thanks to all who have come to see us play, especially
those who spend time with "Rex". It's important that we
continue to humor him.

Thanks to our spouses and families for letting us out of the
house so frequently, when there is probably something
better we could be doing.

A Raisin Ned Production.
